

2027 COMMUNITY PARTNER PROGRAM

info@motorcycleexpo.us | (561) 578-2644

We're proud to welcome nonprofit organizations and community groups that connect with the motorcycle, veteran, first responder, safety, charitable and local communities.

Because we receive a large number of requests for complimentary space, we've created a Community Partner Program that gives qualified nonprofit organizations several affordable ways to participate in the Motorcycle Expo.

\$500

NONPROFIT EXHIBITOR SPACE

Qualified nonprofit organizations may reserve a standard 10' x 10' exhibit space at a special Community Partner rate of \$500.

Approved organizations may also have the opportunity to earn booth credit through Motorcycle Expo ticket sales.

Your organization receives a unique promotional link or code to share with members, supporters, email lists and social media audiences.

Qualifying ticket sales can be credited toward the cost of your booth.

Specific requirements and deadlines will be provided when approved.

CORPORATE COMMUNITY PARTNERS

Businesses interested in supporting one or more nonprofit organizations at the Motorcycle Expo can also contact us about sponsoring Community Partner exhibit spaces.

It's an easy way to support a great organization while becoming part of one of Florida's growing motorcycle events.
